

CD:s for sale 2009

Specials for the Minnesota SGSM Research Seminar and the 2009 Workshop in Salt Lake City

Swedish Death Index 1947-2006

A listing of all people who died in Sweden during this period. You will find full name, full birth and death date, and also parish of birth and death. Also marital status and address at time of death. Swedish and English.

Price \$80

Population of Sweden in 1890

A database of the whole population, searchable in many ways, by surname, first name, parish, year of birth and more. It is also possible to search for children without knowing their full name, but perhaps knowing names of siblings. In *English*. **Price \$80**

Population of Sweden in 1900

A database of the whole population, searchable in many ways, by surname, first name, parish, year of birth and more. It is also possible to search for children without knowing their full name, but perhaps knowing names of siblings. In *English and Swedish*. **Price \$90**

Population of Sweden in 1970

A database of the whole population, searchable in many ways, by surname, first name, parish, year of birth and more. In *Swedish*. **Price \$80**

Population of Sweden in 1980

A database of the whole population, searchable in many ways, by surname, first name, parish, year of birth. In *Swedish*. **Price \$80**

Emigranten Populär 2006

A collection of databases that can be searched in just one search or separately. The main database is *Emihamn*, which has 1.2 million emigrants that left Sweden from 1869 to 1950 through the ports of Göteborg, Malmö, Stockholm and others, also via Denmark. The information is based on the Police Chamber lists, and you can search by name, parish of departure and year. In *Swedish*. **Price \$60**

Svenska Ortnamn 1999 (Swedish Place names)

Thousands of Swedish placenames in a database. The results show up on a map of Sweden, and there is also information on which map you would need to look at to get a proper view of the localities. Searchable in many ways. In *Swedish* **Price \$45**

Begravda i Sverige (Burials in Sweden)

A database of millions of deceased Swedes in all corners of the country, built on the digitized cemetery records. About 75 % of the country is covered in this CD, including burials from the 1600s (not many) to the summer of 2008. In *Swedish*. **Price \$80.**

Order information:

These CD:s can be ordered from Elisabeth Thorsell, ET Genealogy, Hästskovägen 45, S-177 39 Järfälla, Sweden. E-mail: elisabeth@etgenealogy.se Send your order *before 1 October 2009*.

Payment: Add \$5 for postage. Payment can be made by sending money to my PayPal account (www.paypal.com) or by a personal check to the above address, when ordering.

Participants in the SGSM seminar and Swedish American Genealogist Workshop can pick up their CD:s and pay at the same time, if pre-ordered. No CDs, not pre-ordered, will be available, but can be sent by mail later on.
